

# Product Warranty Terms

Effective April 1, 2019

## General Information

EMG warrants its products to be free from manufacturing defects for the periods listed below. EMG warranties are in effect from the date of purchase. Warranty claims must be accompanied by a dated sales receipt. Warranties are valid for original purchaser only. EMG will repair or replace defective products during the warranty period, at EMG's option. Warranties do not cover damage resulting from abuse, normal wear and tear, unauthorized modifications or use of the product in unintended applications.

There are no other express or implied warranties except as set forth herein. EMG shall have no liability or warranty covering you or any third party for special, incidental, indirect, exemplary or consequential damages or any other economic hardship arising out of the use or inability to use the products, and in all cases our liability is limited to strictly to replacement or repair of the product sold. EMG is not responsible for typographical or photographic errors, and reserves the right to make adjustments or corrections due to changes in the market or product.

## The following are the warranty terms for various EMG products.

### Applicable Warranty Terms:

Metal Work	30 days
Cables and cords	5 years
Power products	2 years
Passive Electronic I/O products	3 years
Active Electronic I/O products	1 year
